

# NEW VISIONMOUNT® SMALL TILTING MOUNT

MODEL VST15-B1

## Specially designed for easy installation and intuitive use

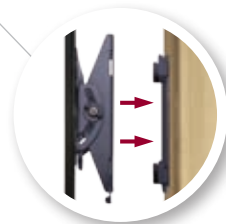

The new VST15 tilting mount features an innovative design that makes it incredibly easy to install and use. Its unique wall plate allows a TV to be mounted in one easy movement and locked to the wall with a safety latch for added security. Virtual Axis™ tilting technology allows smooth, easy tilt motion to reduce glare and maximize picture quality with the touch of a finger. The VST15 features a slim, low-profile design that is VESA 200 x 100 and 100 x 100 compatible to fit most 13" – 26" TVs.

VST15-B1 in use

VESA-compatible TV bracket supports 200 x 100 and 100 x 100 mm hole patterns to fit most 13" – 26" TVs

Easy installation — simply lift TV bracket onto wall plate tabs and secure into place

MODEL VST15-B1

Virtual Axis™ technology provides up to 12° of smooth tilt motion with only the touch of a finger

Safety latch locks TV into place for added security
